Serving the Communities of Belleville, Sumpter and Van Buren

FREE

It's Strawberry Festival week end in Belleville

The 42nd-annual Belleville National Strawberry Festival will take place this weekend, with the big parade beginning at 11 a.m. Saturday.

Grand marshals for this year's parade are Fritz and Juanita Martin.

Their business, Martin and Son, just celebrated 61 years of service to the Belleville community.

It all started when Frederick (Fritz) Martin returned from his tour of duty in Korea. He and his father Henry opened Martin and

Son as co-owners at 401 Sumpter Road.

When they first opened the doors, they repaired farm machinery and lawn mowers as much as vehicles. For the first few years of the business they also sold Sinclair gas, but found that this took too much time away from their repair work and gave up that part of the business.

In 1974 Henry Martin passed away, leaving Fritz with the business. As time has gone by, Fritz's son Randy and grandson Brent Martin continued the legacy with

Fritz, at the age of 86, still showing up to work every day.

At this time, Martin and Son has three generations working there.

Fritz has also been very instrumental with his mentorship to many farmers, craftsmen, mechanics, other small businesses and has been asked by larger companies for his professional opinions.

Martin and Son has always been true to the area, hiring people within the township and city limits. They have hired students

who graduated from the Belleville High School Vocational Center and were also a part of helping Vo-Tech teachers get their state certifications when it became a requirement of the State of Michigan.

Fritz also has always been family oriented with his wife Juanita doing the accounts payable, receivables and advertising for 20 years of the business and then it was handed down to each daughter and now Randy's wife Debra has the job.

School Board hires new law firm to represent district, after 44 years

By Rosemary K. Otzman
 Independent Editor

The Van Buren Public Schools have had the Collins-Blaha law firm as its legal counsel since about 1974 and the school district was one of its clients when the firm formed.

After 44 years, the district has new legal counsel. On Monday, the board of education unanimously hired the Thrun Law Firm, P.C., as the district's legal firm.

A committee of board members Keith Johnston, Susan Featheringill, Darlene Gerick, Supt. Pete Kudlak, Human Resources Director Abdul Madyun, Financial Director Shareen Barker, Special Education Director Karen Johnston, Curriculum Director Jeff Moore, and Building and Grounds Director James Williams met twice to interview law firms with the intention of making a recommendation to the board.

Moore and Williams were unable to make the second meeting.

The committee unanimously recommended Thrun of those considered.

In a memo to the board, Supt. Kudlak said, "This recommendation is based on the scope of services Thrun provides. They are a large firm that specializes in educational law. They are particularly strong in student

matters, labor/employment, and special education. They represent more than 500 districts across Michigan.

"Their interview was detailed, personable, and professional. They built trust with the board members and confidence with the administrators. The committee is pleased to make this recommendation."

Collins-Blaha was among those considered. It listed its cost at \$195/hour, billed in 15-minute increments.

Thrun will be \$245/hour billed in six-minute increments with a \$2,200 retainer no charge for short phone calls less than six minutes.

In other business at Monday's two-and-a-half-hour meeting, the board:

- Approved the Belleville High School math textbook purchase at a cost of \$134,795.20 for six years. The Big Ideas textbooks are for the BHS Algebra, Algebra 2, Geometry, Pre-Calculus and Calculus courses. The program offers a physical copy of the textbook (one set for the classrooms) as well as an online version. Professional development costs for teachers is free with purchase of the Big Ideas. They are expecting the books in August before school starts. They replace the Carnegie Math program for

Rosie the Riveters gathered Saturday, between rain showers, to earn money for their trip to take part in the national Fourth of July parade in Washington, D.C. The part of Fourth Street shut for library construction was reopened for the event, which was scrunched between the fence and the museum and old fire station. There was music, dancing, lots of eating and many Rosies in attendance, and Geof Bush below.

McBride, BHS, and some of Owen which cost \$660,000 for six years and has now expired;

- Unanimously approved Supt. Kudlak's recommendation to change Owen Intermediate to an orange and black color scheme and change McBride Middle School to the Tigers and an orange and black color scheme, both to match BHS. Kudlak said the water damage to the Owen gym floor pushed forward his idea to unite the schools with a common color scheme and mascot for unity, consistency, and sense of pride. The floor is being sanded down to the wood and this is a good time to paint a new logo. He said the graduating class comes together in the fifth grade and this is when they will all be Tigers. He held a parent meeting where only two attended and both were in favor of the change. He put out a survey and received 124 responses, with overall 56% in favor. In the survey, 63% of community members were opposed, 56% of parents were in favor, and 81% of staff members were in favor;

- Heard building representatives from BHS, McBride, Owen, and Rawsonville give end-of-school-year reports on the instructional focuses for the 2017-18 year and what they plan moving forward;

- Approved extensions of bread and milk bids for another year as recommended by the Southeast Wayne County Buying Cooperative Group. Aunt Millie's will continue as the bread vendor and Sun Valley/Berkshire Dairy the milk vendor;

- Approved the resignation for personal reasons of Pam Ackerman from the Haggerty School Adult Transitions program after less than a year of service,

effective June 5;

- Heard Marina Gerick, daughter of board member Darlene Gerick, give a presentation on her Benches for Belleville project that she is working on to get her Silver Award from Girl Scout Troop 20414. Green Tree Plastics recycles plastic caps into benches and her goal is to "teach Belleville how this works." She needs to collect 400 pounds of caps and raise \$200 for the first bench, which she plans to give to BHS. To find drop-off locations for the plastic caps, email BenchesForBelleville@gmail.com, on Facebook see BenchesForBelleville, or look for buckets and boxes around town with the Benches for Belleville logo. For more information email BenchesForBelleville@gmail.com; and

- Heard parent Calvin Hawkins ask the school board to take a look at what's going on with the BHS baseball team. He said his son had been on the team for two years and is the prospect for several colleges, but he was dropped from the team. He said he asked around and other parents told him that while there is diversity on the football and basketball teams, the BHS baseball team was basically a white program. He said he has other plans for his son, but he couldn't remain silent on the situation. He asked for the board's help after getting nowhere with the athletic director, coaches, principal, and superintendent. Board president Johnston said he would look into it; and

- Was reminded of the special meeting at 6 p.m. Monday, June 18, at the administration building for a public hearing on the proposed budget.

Farmer's Market starts second year at Fourth St. Square

The Belleville Market at the Fourth Street Square in downtown Belleville has begun its second year and this year it will be open every Monday from 4 to 7:30 p.m.

And, this year it has sponsors -- Twisted Rooster and Kona Ice -- so it is livelier than ever.

Janet Millard, event coordinator of the Belleville Central Business Community, said the Farmer's Market actually started in October 2016, when a Harvest Market was set up to run with other Harvest Fest activities.

She said people liked it and the Harvest Fest committee wanted it to continue, so she took the idea to the CBC, which approved it. Millard was in charge and she set it up on the second and fourth Mondays of the month, running with the Monday car shows on Main Street.

But, people wanted it every Monday, so this year it is every Monday, although without the car show the first week. The car show got approval to continue on Main Street for the summer.

And, the CBC hired a market master, Shane Convery, the former BYC chef who brought his vegetables to the market in 2017. He now works for the Ann Arbor Sheraton Hotel.

It's early in the year for many vegetables -- except greens and peas -- to be brought into the market, but Twisted Rooster brings food, T-shirts, and hats every other week, and Kona Ice has its icy treats every week.

So far, vendors have brought flowers, jellies, and crafts, with soaps and bath products coming soon. As the summer progresses and the crops ripen, more vegetables will be coming, Millard said.

The Fourth Street Square is located at 405 Main St., between the Bayou Grill and Egan's Pub.

For more information on the market, call Millard at (734) 558-5368 after 3:30 p.m.

Sumpter Township Board gives SOS the cold shoulder

SOS Community Services, a proven help to young families in Washtenaw County for almost 50 years, wants to come to Sumpter Township to help pregnant mothers and those with children up to five years of age -- without charge.

At Tuesday's work/study meeting of the township board, Rana Smith of Van Buren Township, the SOS Children's Services Program Coordinator, asked for free space in the community center for an office to offer free in-home services to Sumpter residents. She was brought to the board by Trustee Sheena Barnes and Treasurer Peggy Morgan. Smith said she was buying BBQ for her daughter at Barnes' BBQ stand, when they began talking about the needs in Sumpter.

Smith was encouraged to bring her proposal to the Sumpter Township board and met twice with Supervisor John Morgan and his deputy. She left information for the board members. Supervisor Morgan told her they could probably find space for her. But, board members were delayed in getting the information.

Smith was writing a grant to get help for Sumpter, but the grant deadline had passed by the time the board was allowed to meet with her on June 12. That's when Supervisor Morgan said there was no room at the inn, unless she wanted to share space with WIC and she should ask them. No room in that sprawling community center for a desk? So sad.

EXTRA THINGS I KNOW

...By Rosemary K. Otzman

When you come to think of it, it was really strange that the grand marshal for the Sumpter Township Country Fest parade this year didn't show up at all. And, there was no background information on him to print. And, he and his STORE were declared grand marshals.

We're sure the Strawberry Festival parade grand marshals will show up. Their business has a 61-year history in the community and they have plenty of local background.

Van Buren Township Supervisor Kevin McNamara said he went to the recent conference on Mackinac Island, this year as a representative of the Detroit Wayne County Mental Health Board, but he said he loves to go to it and went last year, as well. He said he loves to go there to "get money" -- for the township, I assume.

A reader came into the office to vent about the 48111 change that has affected her life. She lives in the City of Belleville and gets her mail at her post office box in Van Buren Township. She also belongs to AARP.

She recently got a bill from AARP, with a new card saying her card has expired in 2018 and she has to pay. The card had her Belleville street address but had Van Buren Twp. at the bottom. Her AARP card with Belleville on the bottom line expires in 2019.

If she wouldn't have noticed, she'd end paying and then have two cards: one saying she lived in Belleville and one saying she lived in Van Buren Twp.

She said she just came to see me to vent. She is so mad at Van Buren Township officials for bringing all this confusion on

our community.

She's not the only one. We're hearing tales every day of the problems caused by this action taken by VBT Clerk Leon Wright without a vote of his board.

On Monday afternoon we received a Nixle alert from Van Buren Township. It said they had received multiple reports of items being taken from unlocked vehicles and, "Please remember to remove all valuable from your vehicle and keep your doors locked." Be advised.

At Monday's meeting of the Van Buren school board, the board replaced its old law firm with a new one. It had only been about 44 years they had stuck with this firm.

People in the audience talked among themselves saying it was about time. They said the former firm had made many bad recommendations that the board followed, such as the Savage Teachers' fiasco, pushing Sherry Frazier off the board in a perceived conflict of interest over McBride Road paving, numerous teacher contract deals, etc.

It's a good idea to go out for bids on contracts a public body pays with tax funds every few years. Van Buren Township recently reviewed its contracts and made some changes and the City of Belleville is going to go out for bids on some of its contracts.

Thank you, Supt. Kudlak, for getting a

breath of fresh air in the school district's legal work. It's way past time for a change there. Also, those lawyers have been very rude to me over the years, viewing the press as an enemy.

We were furnished with pictures of the Sumpter Township pickup truck that was parked at Ace Hardware while the township employee was at his second job. When asked if he couldn't just be in there buying stuff for the township, it was pointed out he was behind the counter with a red vest on. It's not a good idea to take your employer's vehicle to your second job, especially in this day and age. Everybody's got a camera on their cell phone.

At Tuesday's Sumpter board meeting, Treasurer Peggy Morgan said she looked into the situation and found it was a personal problem for the employee and he went to his water department supervisor, who was unavailable; and to Peggy, who was unavailable; and to the township supervisor, who was unavailable, so Deputy Supervisor Karen Armatis gave him permission to take his vehicle to work at Ace Hardware.

Get out and enjoy the Strawberry Festival.

Why do you protect Egypt's murderer?

To the editor:

As the one-year anniversary of her death approaches, I am forced to question why has her murderer gotten away with this for almost 12 months? Is that what is to become, the hopelessness that the person that took this light out of our world will move on with his? I use the word "his" because within my heart I believe we all know who the killer is.

I have been asked to take the "high road" for over 11 months now, and to put it honestly, why should I? Can anyone say what the high road even is? I would suspect that this would mean to others to keep my opinions to myself. Try to be calm and do not make others within the community upset, even those within the family. So the time has come for me to speak out, to simplify my own truths and my own thoughts about what happened to my stepdaughter. First, may I clarify that I only use the term stepdaughter because I want no misconception about my title, not my role.

I married into this family over 15 years ago, Egypt moved into this house on the day I arrived, so yes, I did not give birth to her, but I did raise her. Her life, regardless of what was a perception, was difficult. She felt she was always in a competition to be someone she was not. Not unavoidably unfamiliar with any teenage girl, but she was different. Egypt needed to be herself, to accept others, to accept herself; she did, eventually.

She blossomed over time within her adulthood, and with the support from family members. She became strong and independent, with much resistance from some of those that want to call her a friend, inside our present situation. There was jealousy, there was betrayal, and no matter what may come out of the mouths of some, it is truth. She spoke of this, she spoke of concern, she spoke of what she wanted for her future.

I know that a momentous betrayal was her murder, hidden from some, shared with others. This was planned, it was not spontaneous, and for those that pay attention -- we know. I do think that her ultimate betrayal is the protection that many are giving to the one that took her. There have been those that claim to be her friend that have stated "If he did it then I will not protect him." Have we ever thought that protecting him is keeping his arrest at bay?

Mother and fathers, look at your children. Imagine being called over to their home

only to find them gunned down, laying on a floor, thrown away like garbage. Close your eyes ... difficult to do? While you ponder upon the words I have written, whether this has made you angry or sad, my words have created an emotion. Would you protect anyone that murdered your child? Then why do you protect the one that murdered mine?

To Fred Bonanni: The Farewell Rainbow

Hey Fred, saw you saying goodbye
In that colorful rainbow in the sky.

I heard your message of peace in your heart
As I truly feel we will never be apart.

I know that you'll forever be
In the heavens above watching over me.

The 63 blessed years we were given
To shape and to mold as we went on livin'.

We did it together in our own way
With God's arms around us every day.

We tried to have eyes to see the best in one
another
And a heart that forgave the worst in each other.

I Love You, I'll miss you and thanks for saying
arrivederci
In that beautiful rainbow in the sky.

-Your loving wife sending you a hug wrapped
with all my love.

Two Sumpter police officers slightly injured in fleeing vehicle crash

Two Sumpter Township police officers sustained minor injuries stemming from a collision and subsequent arrest of a driver who fled from them at about 9:45 p.m. Monday and fired at them at least five times.

In a news release on Tuesday, Eric Luke, director of public safety and chief of police, said officers from his department responded to the call of a possible drunk driver in the area of Sumpter Road, near Willow Road.

When officers attempted to stop the suspect vehicle, it sped off southbound. Officers continued their attempt to stop the erratically driven vehicle as it continued onto westbound Oakville Waltz and eventually into Washtenaw County, where they were fired upon at least five times by the driver.

The suspect vehicle continued to the City of Milan border before it doubled back towards the officers, at which time the incident was brought to an abrupt end through a collision with one of the two Sumpter Police patrol vehicles involved in the incident.

Officers arrested the driver, and lone occupant, a 44-year-old Allen Park man and recovered from his vehicle five firearms along with several thousand

rounds of ammunition.

Chief Luke said charges will be sought through the Wayne County Prosecutor's Office at the conclusion of the investigation.

Ronald Grant Rounsifer

RONALD GRANT ROUNSIFER
 (May 10, 1936 - April 12, 2018)
 Ronald Grant Rounsifer, 81 years old, passed away after a long and valiant battle with Alzheimer's disease at the Ann Arbor home of his daughter Renee Baumunk on Thursday, April 12, 2018. He was born on Mother's Day, May 10, 1936, in Ash Township, MI, but lived most of his life in Sumpter Township, MI.

Ron's boyhood was idyllic in that he was surrounded by loving parents and grandparents. He often said he could not have wished for a better childhood, hanging out with his Grandpas on their farms, driving their tractors, being around the barns and farm animals. His parents took him on many vacations, hunting and fishing trips. He had many happy memories of his childhood and these memories comforted him as he got nearer the end of his life.

As a youth, he adored baseball, playing every chance he got. He went to Belleville High School and there ran cross country, played football and varsity baseball, graduating with the class of 1954.

He married his high school sweetheart, Connie Watts, in 1955. Together they had four children. He was a loving and generous father to Brian, Mary Ellen, Renee and Tim, who have so many wonderful memories of their time with him. He loved and was loved by his dear grandchildren, Grant, Alex, Travis, Sarah, Mary, Ron, Vincent, Shannon and James Matthew. He was a loving and ever present brother to his dear sister Beverly Chrobak and loving nephew to his aunt Mary Donovan. He was preceded in death by his parents, Esther Ida (nee Lang) and Victor Frederick Rounsifer. Few things gave him greater pleasure than to watch the grandchildren play little league baseball, fast-pitch softball, football and rugby. Though no longer married, Ron and Connie remained friends and enjoyed many priceless hours watching their grandchildren play their various sports, attending graduations, etc. Ron also enjoyed the annual Rounsifer family reunions with cousins and other relatives. He was a member of the Belleville High School Class of '54 Reunion Committee and celebrated many class reunions with cherished classmates. A Memorial Service will be held June 16, 2018, 11 a.m. at David C. Brown Funeral Home, 460 E. Huron River Drive, Belleville. In lieu of flowers the family is suggesting donations be made to Grace Hospice, 2755 Carpenter Rd., Ann Arbor, MI and/or Alzheimer's Association, Michigan Great Lakes Chapter, 564 South Main Street, S-200, Ann Arbor, MI 48104.

Ron was a good friend to many, always happy to help his friends and neighbors with various projects over the years. He was also a good listener and when asked, gave wise counsel. His dear daughters Mary Ellen Rounsifer and Renee Baumunk were his staunchest supporters and a great source of pride and comfort to him, especially in his later years. The family appreciates all the prayers and kindnesses shown throughout Ron's illness and especially wishes to thank friend and caregiver Frank

Ruggirello for all his caring hair cuts, shaves, baths, and general joking around that Ron enjoyed, and Don Johnson for all his wonderful baseball conversations, care giving and heavy lifting, as well as Grace Hospice and all the gentle folks who visited Ron.

Alan Lee "Skip" Summer

ALAN 'SKIP' SUMMER
 (June 9, 1950 – May 27, 2018)
 Alan Lee "Skip" Summer, age 67, life-long Belleville area resident, passed away suddenly Sunday, May 27, 2018 at St. Joseph Mercy Hospital, Ann Arbor, MI.

A Memorial Service was held June 9, 2018 at 11 a.m. at the First United Methodist Church, 417 Charles Street, Belleville, MI officiated by Pastor James J. Walker. Visitation began at 10 a.m. Arrangements for cremation were coordinated with the David C. Brown Funeral Home, Belleville, MI.

Skip graduated from Belleville High School in 1968 and continued his education at Eastern Michigan University where he received his Bachelor and Master's Degree in Education. He retired from the Van Buren Public School District where he worked as a teacher at North Junior High and Belleville High School. Skip coached football while teaching and into retirement. He believed teaching, coaching and mentoring went hand in hand to inspire and motivate the future of young people. Skip was the Director of the Legacy of Excellence Scholarship Program since 1999, an alumni-based scholarship. He will be missed by colleagues, students and the numerous friends that he touched over the years. Skip is survived by his loving wife of 40 years Lori (Prill) Summer and his beloved Pit Bull, Chico. He was born June 9, 1950 in Ypsilanti, MI, and was preceded in death by his parents, Emmett Lee & Erma Jean (Sutcliffe) Summer. Skip is lovingly remembered, and his life celebrated by family in Michigan, Tennessee, and Arizona.

Skip enjoyed golfing and men's softball in his youth, which was replaced in retirement by walks with Lori/Chico, and bass fishing at the Metro Park along with growing veggies from seed, bird watching, and the planting and care of the many flower pots and beds planted by him and Lori.

In lieu of flowers, memorial donations in Skip's name would be greatly appreciated and may be made to:

Legacy of Excellence Scholarship, P.O. Box 2636, Belleville, MI 48112; Food Closet at Belleville First United Methodist Church, 417 Charles Street, Belleville MI 48111 (734) 697-9288; The Buster Foundation (pit bull rescue), P.O. Box 233, Belleville, MI 48112.

BERNARD 'BARNEY' CZAJKOWSKI
 Bernard "Barney" Czajkowski, 68, of Belleville, MI and Mesa, AZ, died April 26, 2018 in Mesa. Visitation will be held from 1 to 6 p.m. Saturday, June 16, with a memorial service at 3 p.m. at Uht Funeral Home, 35400 Glenwood Rd., Westland 48186.

Larry Radcliff

LARRY RADCLIFF

(January 24, 1948 -- June 7, 2018)

Larry (Rat) Radcliff a long-time resident of the Sumpter/Ypsilanti area passed away suddenly in his home on Thursday, June 7. Larry was born in Toombsuba, Mississippi and the family migrated to Ferndale, Michigan before settling in Akron, Ohio.

Larry worked in the family concrete business until leaving for college. He attended Northeastern State College in Tahlequah, OK. After one year Larry transferred to Eastern Michigan University where he became a star running back leading the nation in rushing. Many of his records still stand some 48 years later. A season-ending knee injury ended his career at Eastern. Despite his injury, he was drafted by the Philadelphia Eagles and played one season with the Detroit Wheels World Football League. Larry was inducted to both the Summit County Athletic Hall of Fame and Eastern Michigan Hall of Fame. He worked at Washtenaw Sheriff Department as a Corrections officer then as their Athletic Director. He mentored young people as a little league baseball coach, in several church and community youth programs, and volunteering as a cook at Camp Cedine in Spring City, Tenn. Larry was quick to help others in any situation, and was active in his church. He leaves a legacy of love and memories to his wife Jacqueline; children Erica, Sheldon, Terrence, Steven, and Kaila; and grandson Roman. His infectious smile and laughter will be sorely missed.

Funeral service will be held at Bethlehem Temple of Praise, 3789 Venoy Rd. in Wayne MI on Saturday, June 16, at 11 a.m. with family hour starting at 10 a.m. In lieu of flowers the family is asking donations be sent to Camp Cedine at 333 Cedine Rd., Spring City, Tenn. 37381.

JOHN MCKINNEY GRAY

Shirley Marie Schettler

SHIRLEY MARIE SCHETTLER

(December 11, 1935 - June 7, 2018)

Shirley Schettler of Belleville passed away at home surrounded by her family and friend on June 7, 2018 at the age of 82. She was born and raised in Belleville on their family farm.

Shirley was preceded in death by her parents, John and Myrtle Walters. She was also preceded in death by her husband of many years, Edward David Schettler.

She enjoyed horseback riding, roller skating, camping and involvement in 4-H with her children, and many family nights of playing cards. Shirley enjoyed staying at home and raising her children until the youngest started school, when she began her career with the Van Buren Public Schools. She worked in the cafeteria for about 50 years, which brought her great pleasure seeing and enjoying the children. Shirley is survived by her children William (Michelle) Schettler, Sharlene Davis, Stormy Smith, Corinne (Matthew) Smith, Edward (Mae) Schettler and Martin (Dawn) Schettler. She also is survived by her goddaughter Jill Rankin. Shirley had many grandchildren, great-grandchildren, nieces and nephews.

Service and visitation is at Husband Family Funeral Home in Westland on June 16, 2018 from 3-8 p.m. with service starting at 4 p.m.

Minding Your Business with Bob Mytych

Meet Up & Eat Up, a summer lunch program at Owen Intermediate School on Owen Street, is starting up on June 25 and running from 11 a.m. to 12 noon every Monday through Thursday through July 19. The program is free and available for kids and teens. Parents are just \$2.

The 42nd Belleville National Strawberry Festival kicks off tomorrow and runs through Father's Day Weekend here on Main Street, St. Anthony's Church, Trinity Episcopal Church, Belleville Presbyterian Church, and Victory Park. There's just too many events and happenings to list in this column so be sure to pick up an official festival program. I'll be at parade central on Saturday for the 11 a.m. start, one of my favorite events each year. This year's parade marshal is the Martin Family (Martin & Son Auto Repair). Thank you to festival treasurer Janet Millard and the Belleville Central Business Community for having me once again help jury their crafters. It's always fun. Happy Father's Day to all the Dads out there, too.

Discounted tickets are still available for this summer's Thunder Over Michigan Air Show Aug. 25-26 at Willow Run Airport, and you have through Sunday, June 17, to purchase them online for \$30. It's the final pre-order discount offered. Tickets at the gate will be \$40. Children 15 years and under are free. This year's show features the US Air Force Thunderbirds and other military and civilian acts. Visit www.yan-keearmuseum.org and follow the links.

Friends of Michigan Animals Rescue of Sumpter will be holding their monthly pet adoption event this Saturday from 11 a.m. to 3 p.m. at the Petco Pet Store on West Warren Avenue across from Westland Mall. Call (734) 461-9458. Be sure to check out some of their pets available for adoption during the Strawberry Festival. They'll be located under the parking lot canopy of Higerson & Neal Funeral Home both Saturday and Sunday.

A Belleville Area Council for the Arts fundraiser to benefit the Music Lakeside summer concert series will take place tomorrow, June 15, at 7 p.m. at the BYC on E. Huron River Drive. Jill Jack will provide the music and there will also be hors d'oeuvres, open bar, silent and live auctions. Tickets are \$50 per person and will be available at the door, but still available at the BYC, Moving the Mitten, and Garden Fantasy on Main. The first of nine concerts at Horizon Park will start on Thursday, June 21, featuring Bugs Beddow and the Good Stuff, beginning at 7 p.m.

Today's paper features an insert from Tractor Supply, Inc., with many locations including Ann Arbor, Saline, and Monroe. To learn how you can have your flyer or advertisement included in an upcoming issue of the Independent, call me at (734) 699-9020.

All the best to Belleville 2018 graduate Caleb Forga for receiving a scholarship and has signed with St. Bonaventure in New York State to play Division 1 Lacrosse. Caleb will be pursuing a degree in Business and Marketing. Caleb's parents are Brandon and Brittany Forga of Van Buren Township. Congratulations!

Van Buren Community Soccer to hold open clinic, Select try outs

A Free Open Clinic for Van Buren Community Soccer will be held for all ages on Thursday, June 14, from 6 to 7:30 p.m., at Quirk Park, behind 46425 Tyler Road.

Please pre-register your child for tryouts by Friday, June 15. This will ensure we have enough field space and coaching staff available. This does not commit you to anything, so if you're curious, come out.

Here is the link:
<https://goo.gl/forms/XeQhKde403isklhZ2>
Email is: vanburensoccerbelleville@gmail.com

Select Soccer try outs at Quirk Park are scheduled for:

- Saturday, June 16 -- from 8 to 9:30 a.m. for boys or girls with birth years of 2005, '06, '07; and from 10:30 a.m. to noon for boys or girls with birth years of 2008, '09, '10

- Sunday, June 17 -- from 8 to 9:30 a.m. for boys or girls in high school, open, birth year of 2004 and older, '05, '06, '07; and from 10:30 a.m. to noon, boys and girls with birth years of 2008, '09, '10

- Monday, June 18 -- from 6:30 to 7:30 p.m., all ages both boys and girls

Common Questions:
How long will I be there? You child will try out for 90 minutes on Saturday and Sunday. There will be an additional 30 minutes of paperwork/ordering. Please plan accordingly.

What is Select Soccer? Select Coaches must have a license E or F; the games will be played in a higher level of competition than our recreational programs. Select soccer is for any

player who is looking to increase their skills and has a higher dedication to the sport of soccer.

What is the cost? For the two main seasons -- fall and spring -- the cost is \$250-\$300 per child. Gear, tournaments, and winter training is priced separately as each team will decide what their development goals are. This compares well to our recreational program which is \$100-\$130 per season. The biggest difference is you are signing on for the fall and spring so you should plan accordingly.

Can I volunteer? Yes, we are always looking for coaches, board members, and volunteers. Please tell us if you are interested in using your talents to keep this club low cost!

Remember, all of our coaches and staff are volunteers that are only interested in helping your child have a soccer home in Van Buren/Belleville. Unlike other clubs, there is no paid staff. That is what helps us keep pricing fair. If you have a suggestion or would like to help, please email us back!

Registration is now open for the fall 2018 soccer season. Please go to www.vanburenpride.com to register.

Van Buren Township Police Sgt. Bart DeVos gets a hug from VBT Police Chief Jason Wright after Public Safety Director Greg Laurain, at left, read a proclamation on the event of DeVos' retirement.

VBT board approves \$200,000 for Public Service Dept. projects

By Rosemary K. Otzman
Independent Editor

One Van Buren Township carport fell down in a windstorm last year and the other Public Safety carport is unsafe, can't be used and has to be replaced.

At the June 5 regular meeting of the VBT board, it unanimously approved moving \$200,000 from the fund balance to the Public Services Department for various projects, including the \$40,000 for carport replacement.

Public Services Director Matthew Best said the projects were supposed to be done in 2017 but the funds weren't allocated by the end of the year and went back into the general fund, as is the policy.

Director Best said the \$200,000 total would cover:

- Carpet for the police department and assessor's office - \$21,500 (which actually was completed in January and paid with other funds in the budget that have to be replenished);
- Carpet for the fire stations, \$25,500;
- Architectural and Engineering costs, \$100,000;
- Space and needs assessment project,

\$13,000, evaluation of township hall site; and

- Carport replacement, \$40,000.

When asked if the carpet that had been installed was from a local bidder, Best said they got a local bid, but it wasn't selected.

At the June 4 work/study session, when Trustees Paul White, Reggie Miller and Sherry Frazier asked about what the \$100,000 was for in architectural and engineering costs, Best said probably most of it was for Van Buren Park. Supervisor Kevin McNamara said it's for several things and, "You can't pull it apart. I don't think you can do it."

"I can see why Wayne County was in trouble," Trustee Frazier commented, referring to McNamara's time as a county commissioner.

Supervisor McNamara said there is \$650,000 more in the general fund and, "We'll decide how to spend it." He apparently referred to the \$1.9 million he had announced auditors found in unexpected revenue in last year's budget.

In other business at the June 5 meeting, the board:

- Approved Resolution 2018-10, a request

for supportive aid from the Michigan Municipal League Legal Defense Fund and/or the Michigan Township Association Legal Defense Fund for impending litigation against Visteon for the shortfall in tax money that was to have been used to pay back the bonds used to help Visteon develop. The township had sued Visteon and lost, because the courts found the township has not yet been damaged. McNamara said he was shocked when they allowed the township to reopen the

case. It could go to the Supreme Court, he said. Trustee White said the supervisor in his State of the Township address said the township has a lot of money, "and we do. Visteon built and there would have been enough to pay the bonds, but they have not built out as they said they would and the LDFA has a shortfall to pay the bonds for Visteon." McNamara said the MML and MTA may join in because of the potential ramifications to all cities and townships in the state;

- Approved an amendment to the mutual aid agreement between VBT and Ypsilanti Township Fire Department that now agrees to send one engine and two firefighters for mutual aid to Ypsilanti Township instead of the two engines and crews originally agreed to. Fire Chief Amy Brow said Ypsilanti Township agreed to the change. Ypsilanti Township Fire Department still agrees to send two engines and crews to

VBT when called upon for help;

- Approved the DTE Community Lighting Contract of \$112,261 for replacement of all the 39 poles and addition of LED lighting for the township hall parking areas. The township also will pay an additional \$8,000 for removal and disposal of the present poles, whose bases are deteriorated and unsafe. During a windstorm last year, a pole was blown over on a car;

- Approved adoption of the revised Board of Zoning Appeals rules of procedure;

- Approved the reappointments of Loretta Speaks and Walter Rochowiak to the Water and Sewer Commission with terms to expire June 1, 2020; and

- Approved the appointment of Michael McGovern to the Construction Board of Appeals with a term to expire Feb. 28, 2021.

- Approved stormwater maintenance agreements with ARC CSVTMI001 LLC (aka Constellium) and Mayser USA Inc.;

- Heard an annual update from the Senior Alliance;

- Passed a proclamation honoring former Police Sgt. Bart Devos on the occasion of his retirement. "Thanks for a great career," Devos said. He now works part time for the City of Belleville;

- Watched a 20-minute "State of the Township" video featuring Supervisor McNamara. He said he is working to get \$5.5 million from a corporation, \$1 million from state/federal funding, and \$1.5 million from VBT taxpayers to total the \$8 million needed for the lake house he wants to build on the present DNR property just north of the Belleville Bridge; and

- Was informed the annual fireworks will be at dusk June 30 at Beck Ballfields; Weight Watchers will begin July 5 at the senior center and Supervisor McNamara will be joining; and the Senior Health Fair will be 1-6 p.m., June 14.

Clerk Leon Wright was absent and excused from the work/study session on June 4 and the regular meeting on June 5.

At the work/study session on June 4, McNamara announced that the budget review sessions have been scheduled for Aug. 14 and 15.

Before the work/study session on June 4, the board held a 50-minute closed-door meeting to consider purchase of property.

"The liberties of a people never were, nor ever will be, secure, when the transactions of their rulers may be concealed from them."

McBride residents gather to hear details of upcoming paving project

By Rosemary K. Oztman
Independent Editor

Monday, June 18, is the anticipated start date of the long-awaited McBride Road paving project and on June 7, about ten neighbors gathered at the Van Buren Township Hall to hear details on what to expect.

The property owners on McBride have a Special Assessment District to help pay for the changing of their gravel road into a smooth asphalt road, in conjunction with a grant from the county and \$90,000 from the Van Buren Public Schools. The McBride Middle School is in this residential neighborhood.

They learned their SAD payment would be much less than formerly announced. Ron Akers, VBT director of planning and economic development, said the payments now would be \$200 a year for five years, unless they have to dip into the contingency fund. If so, it would be \$300 a year for five years.

Present at the meeting were about ten residents and ten township officials, engineers, and the asphalt contractor.

Engineer Dave Nummer of Wade Trim addressed the gathering, introducing Frank Prano of Florence Cement Company of Shelby Township, which will be doing the asphalt paving, and John Hopp, construction engineer of Wade Trim, who will be in charge of the project. Hopp lives in Van Buren Township.

Nummer told the neighbors that Hopp will be on site during the project and any problems or concerns can be brought to him. His cell phone is (313) 363-3483.

Nummer said the anticipated start of June 18 is right after school is out and the project will take five to six weeks, depending on the weather.

"We may get done quicker than that," Nummer said.

He said first they will excavate about a foot down. The road is flat now and they will put a crown in the road for the water to roll off to the ditches.

They will put 8" of new limestone base and 4" of asphalt. It is a good solid road, Nummer said, and there's a good base even with 12" removed.

He said there will be a 24' wide track with 1' paved on each side and 3' of gravel on each side, for a total of 32'.

He said they have narrowed down the

travel lanes because people tend to drive slower on narrower roads.

"People drive as fast as they feel comfortable," Nummer said. He said instead of becoming a speedway, the narrower road will encourage slower driving.

"Each driver's tolerance varies," he noted.

He said another reason they narrowed the roadway is because the cost of the project came down substantially. He said there will be minor ditch work and cleaning, but the ditches already function fairly well.

Nummer said the relocation of mailboxes will have an impact on residents. He said they will put up brand new posts and mount the present boxes on them at the end of the project. If there is a custom mailbox, the owner should get with Hopp as the project gets started and they will be handled on an individual basis.

They will work out temporary mail delivery with the post office and maybe put in a gang box.

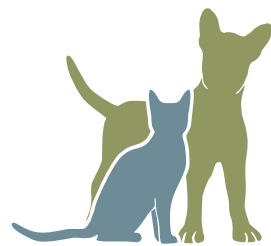

He said some water main work will be done, like putting in a fire suppression line and another line will be put in from Beck Road to the school.

"There will be a few days for that and then they'll begin excavating the road," Nummer said, adding they will backfill as they go so they will maintain roadway to the driveways through most of the project. He said there may be a couple of hours when the driveways are inaccessible.

"You'll see them coming day by day down the road and you can gauge when they will be in front of your house," Nummer said.

Nummer told the neighbors that if they have a wedding party or a graduation party or some other event, to let them know so they can work around those events and work with the public. In other projects there were scheduled dialysis treatments and they should let Hopp know.

If there are any sprinkler heads along the shoulder, they should mark them and let Hopp know. They'll do their best not to damage them, Nummer said.

The driveway approaches to the new paved road will be replaced for about 8-12' with the present driveway surface. If a residence has cement, it will be a cement approach. If it's asphalt, the approach will be asphalt. If it's gravel, the approach will be gravel.

The road will be about the same elevation that it is now, he said.

Nummer said to buy the children plastic swords to play with so they don't pull out the construction stakes and run around with them. The removal of stakes will delay the contractor's work. He said they do not want children near the work area.

He said Miss Dig is due to come in around June 12 and those flags need to stay in place, as well.

When they spray asphalt tack on the roadway it would be a good day to go to the beach or out to dinner because it shouldn't be driven on because it's sticky and messy. When the work layer is put down, they shouldn't drive on it because it will cause cosmetic damage to the roadway.

The work is expected to take place from 7 a.m. to 7 p.m., Monday through Friday. New roads are expected to last 20 years, but you have to take Michigan weather into account, he said. The speed limit will remain at 25 mph.

Since trash day is Tuesday on that street, they will try not to pave on Tuesday.

They will be working between the ditches and will not be going up into people's yards, Nummer said.

A neighbor asked about the VBT fireworks at Beck Ball Field. She said people usually park at McBride school and walk to the ball fields for the show. The fireworks are on Saturday, June 30, with a rain date of Sunday, July 1. The engineers thanked her for alerting them to the situation and said it will not be a problem.

Prano of Florence Cement said everything is scheduled to be delivered on June 18.

Sen. Hopgood introduces bill to permanently recognize atomic vets

On June 5, Senator Hoon-Yung Hopgood, D-Taylor, introduced a bill to honor Michigan's atomic veterans for their sacrifice and service to the state and nation.

Senate Bill 1053 would declare July 16 of each year as Atomic Veterans Day in Michigan.

"Atomic veterans were subjected to an unusual risk, and deserve our respect and gratitude," Sen. Hopgood said. "This resolution reflects pride in Michigan's history, and honors veterans for their commitment to this country."

On July 16, 1945, as a result of the Manhattan Project, the U.S. conducted the first detonation of a nuclear device in New Mexico, also known as the Trinity nuclear test. Between 1945 and 1962, more than 200,000 American

service members, including those from Michigan, participated in these aboveground nuclear tests. They also served with the U.S. military occupation forces or were held as prisoners of war in or near Hiroshima or Nagasaki.

"Secrecy laws and oaths prevented many veterans from seeking medical care or disability compensation as a result of the radiation exposure," Sen. Hopgood said. "This legislation brings a permanent awareness to an issue that has been hidden for so many decades."

Sumpter Township resident Toni Clark had persuaded the senate to set a day in 2017 to commemorate atomic veterans and had hoped to get the state to set an annual commemoration. She also is working to get the day set nationally.

Public Notice

NOTICE OF A HAZARDOUS WASTE MANAGEMENT FACILITY OPERATING LICENSE MAJOR MODIFICATION Wayne Disposal, Inc. June 14, 2018

The Department of Environmental Quality (DEQ), Waste Management and Radiological Protection Division (WMRPD), hereby gives notice that it proposes to issue a hazardous waste management facility operating license major modification to Wayne Disposal, Inc. (WDI). A request to revise the design of the landfill liner system for the next phase of construction (Master Cell VI G Phase 2) at the facility was submitted by WDI on May 3, 2018, pursuant to Part 111, Hazardous Waste Management, of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended (NREPA).

The request by WDI was to modify the design of the landfill liner system to incorporate the use of geosynthetic clay liners into the liner system at the WDI facility located at 49350 North 1-94 Service Drive in Belleville, Michigan.

The DEQ has reviewed the request and determined that the proposed design modification is acceptable and would comply with Part 111 of the NREPA, and the rules promulgated thereunder.

The DEQ invites public comment on the proposed major modification. The public comment period begins June 14, 2018, and ends August 13, 2018. The DEQ will hold a public hearing on July 19, 2018, starting at 6:30 pm in the boardroom of the Van Buren Township Hall.

The draft major modification and fact sheet may be reviewed online at www.michigan.gov/deq (Waste, Hazardous Waste, Hazardous Waste and Liquid Industrial By-Products Management, Hazardous Waste Facility Operating Licenses); the Van Buren Charter Township Hall, 46425 Tyler Road, Belleville, Michigan (contact Mr. Ron Akers at 734-699-8913); the DEQ, Southeast Michigan District Office, WMRPD, 27700 Donald Court, Warren, Michigan (contact Mr. Michael Busse at 586-753-3839 or bussem@michigan.gov); and the DEQ, WMRPD, Constitution Hall, 4th Floor South, 525 West Allegan Street, Lansing, Michigan (contact Ms. Christine Matlock at 517-284-6577 or matlockc2@michigan.gov).

To receive future DEQ notification concerning this facility, please submit a written request for placement on the WDI facility mailing list. Requests, comments, or questions regarding WDI should be addressed to:

Need to vote in primary, general elections

To the editor:

There will be two very important elections this year in Michigan. All the elected officials in the state government will be up for election, and many, including the current governor, the attorney general and the secretary of state are term-limited and will not be able to run again.

There are also some local elections (Sumpter) and there are some important proposals that will be on the ballot in November. Your vote will count. To find information about the candidates and issues, go to vote411.org. That is a nonpartisan website provided by the League of Women Voters.

The primary election will be held on Aug. 7, 2018. In order to vote in the primary, you must be registered by July 9, 2018. Teens who will be 18 on Aug. 7 can register to vote in the primary by July 9. To find out if you are already registered, you can go to

www.vote.org.

You can register at the Office of the Secretary of State, at your local city or township clerk's office, and there will be several booths at the Strawberry Festival where you can fill out applications to vote, including the League of Women Voters booth.

The general election will be held on Nov. 6, 2018. In order to vote in the general election, you must be registered by Oct. 9. Teens who will be 18 by Nov. 6 can register up until Oct. 9.

While for many years voters have considered the primary election to be unimportant, that has changed in recent years. Many elections are decided in the primary election due to the highly-partisan way that districts have been created. The result of the general election is often just the verification of the primary election winner of the party that dominates in that district. If you really want to have a voice in your political representation, you need to vote in both the primary and the general elections.

Virginia Belinski, board member League of Women Voters of Northwest Wayne County

Court Watching:

Judge Parrott binds 'homeless' 17-year-old defendant over for trial

By Rosemary K. Otzman
Independent Editor

At 34th District Court on June 6, Dontao Eugene Cavins, 17, waived his preliminary exam by video from the Wayne County Jail where he is being lodged on \$5,000/10% bond.

Judge David Parrott scheduled him for arraignment on the information in the warrant and police report on June 13 at the Frank Murphy Hall of Justice.

Cavins is charged with unlawful driving away of a motor vehicle, larceny in a building, and unlawful use of a motor vehicle in Sumpter Township on May 20.

His court-appointed attorney said this was Cavins' first felony offense and the car was recovered and belonged to a family member. He asked for his client to get personal bond so he wouldn't have to spend any more time in the Wayne County Jail, "which is not a good place for a 17 year old."

But the Wayne County Assistant Prosecutor said Cavins has had numerous contacts with the police and is homeless, "So I don't know where he would go ... literally he would be on the street." The prosecutor also said \$5,000/10% bond is pretty reasonable.

"I have a place to stay," Cavins called out through the video.

"If he were at Dickerson it would be different," the defense attorney said referring to another county jail site. "But he's in the Wayne County Jail with robbers and killers and he's only 17."

Judge Parrott referred Cavins to pretrial services for a bond review and continued the bond as set.

James Robert Bullock

James Robert Bullock, 49, did not show up for his probable cause conference and so Judge Parrott signed a bench warrant for his arrest. Bullock had been out on personal recognizance bond of \$10,000 and that was revoked.

Bullock is charged with operating with a high blood alcohol content, fleeing police in a vehicle, driving while license suspended-2nd and ORV-open intoxicants on June 13, 2016 in Sumpter Township.

Matthew Ramiro Sanchez

Matthew Ramiro Sanchez, 34, had his preliminary exam adjourned until June 20 on a charge of operating while intoxicated-3rd in Belleville on May 2. He is free after posting \$10,000/10% bond. His retained attorney is Theodore Metry but another lawyer stood in for Metry at the court session.

Kirsten Kathleen Flatley

Kirsten Kathleen Flatley told Judge Parrott she has just hired attorney Jim Murray and so her probable cause conference was adjourned to June 13 and her preliminary exam to June 20. Judge Parrott told her the file shows she needs to be fingerprinted so she should go to the Belleville Police Department for that.

She is charged with unlawful use in the City of Belleville.

BHS students have chance to briefly use electron microscope

Belleville High School recently had the opportunity to experience the Hatachi High Technology TM3030 Plus Scanning Electron Microscope for a few days.

Hitachi Technologies in America through their “HTA: Inspiring STEM Outreaches” program provided the electron microscope for several area schools.

The program introduces the scanning electron microscope to students in Southeastern Michigan who attend K-12 schools in underserved or rural high schools.

The goal of the program is: interest and introduce students to scientific inquiry into nano materials and technology, preparing them for entry into fields of nanotechnology and nanoscience, where these instruments are everyday tools.

Dr. John Mansfield, a recent retiree from University of Michigan’s Michigan Center for Materials Characterization, delivered and installed the equipment. He trained the teachers at BHS and provided example samples for use in the classes. Students were provided training from BHS teachers and were given the opportunity to develop their own projects in microscopy.

Dr. Mansfield is also the editor-in-chief of the “International Journal of Microscopy and Microanalysis.”

Belleville Advanced Program (AP) Biology students were able to use the Hatachi TM3030 Plus Scanning Electron Microscope for six days, first exploring its use and capabilities, and by day two transitioning to inquiry-based investigations.

Every student worked the different aspects of the process from devising the investigations, to collecting and loading samples, to driving the SEM (Scanning Electron Microscope).

Some investigations conducted included: structural comparison of pollen samples, duck feathers to chicken feathers, insect wings, and quantitative and structural comparison of hair from a student and her mother (a cancer survivor) to determine the effects of chemotherapy.

The AP Chemistry class used the SEM for two days. The class discussed the purposes and uses of the instrument and its functionality. Students recently completed a unit on periodic properties and subatomic

structure and wondered how scientists had understood periodic trends in the elements and how they determined what the elements looked like.

Using the SEM, they looked at a penny and the size of Abraham Lincoln as an exploration of the SEM’s capabilities. They then analyzed the penny for its elementary composition utilizing ionization and radiation peaks for specific elements.

Many of the seniors in the classes

Charter Township of Van Buren Public Notice

CHARTER TOWNSHIP OF VAN BUREN BOARD MEETING MINUTES JUNE 5, 2018

Supervisor McNamara called the meeting to order at 7:00 p.m. in the Board Room. Present: Supervisor McNamara, Treasurer Budd, Trustee Frazier, Trustee Martin, Trustee Miller and Trustee White. Absent/Excused: Clerk Wright. Others in attendance: Secretary Montgomery, Executive Assistant Selman, Public Services Director Best, Public Safety Director Laurain, Public Safety Deputy Director (Police) Wright, Public Safety Deputy Director (Fire) Brow, Cable Director McCracken, and an audience of five (5).

EXECUTIVE SUMMARY OF THE AGENDA: Supervisor McNamara outlined the items appearing on the agenda adding a proclamation honoring retired Police Sergeant Bart Devos and Resolution 2018-10 a request for supportive aid from the Michigan Municipal Legal Defense Fund and/or Michigan Township Association Legal Defense Fund for impending litigation against Visteon. Motion Carried. Both the MML and MTA believe the outcome of litigation may set a precedence that could affect all municipalities.

Budd moved, Miller seconded to approve the amendment to the mutual aid agreement between the Township and Ypsilanti Township Fire Department. Motion Carried. The amendment reduces aid assistance provided by Van Buren Township to Ypsilanti Township from two apparatus and personnel to one apparatus and personnel.

Miller moved, Frazier seconded to approve the DTE Community Lighting contract in the amount of \$112,261.00 for Township hall parking lot lighting replacement. Motion Carried. Under DTE’s Community Lighting program the Township will replace parking lot lighting at Township Hall with LED lights. The program will bring significant savings, increase safety and eliminate maintenance costs.

Martin moved, Miller seconded to approve a Public Services budget amendment in the amount of \$200,000.00 for various projects. Motion Carried. Several projects that were budgeted for in 2017 were not started and/or not completed until early 2018 at which point funding reverted back to the General Fund fund balance. The amendment moves 2017 budgeted funding back into the current year.

Budd moved, Frazier seconded to approve the adoption of the revised Board of Zoning Appeals rules of procedure. Motion Carried. Revisions include: enhanced definition/clarification of duties and responsibilities of the Board, Officers and Township staff, clarifies conflict of interest and ex-parte and sets attendance requirements.

They're reading the Independent everywhere

Many current and former Belleville residents read the *Independent* at the wedding of Dan and Ashley Haynes in Tulum, Mexico, May 18. From left are April Welsing, Conrad Welsing, Karen Sucher, Dan and Ashley Haynes, Frank and Holly Zehel, Sheila and Darin Dullum, Dave Sucher, Lisa and Phil Combs, the parents of the bride Shawn and Christina Combs, John and Chrissy Harris, Liz and Les Neinas and Mahala Combs holding the *Independent*.

You, too, are invited to submit a photo of you reading the *Independent* in an exotic location. Please include the name and address of the person you wish to get the free subscription when it is printed. Include your phone number if you want us to let you know just before goes in the paper. A person may use this offer to get a total of two free subscriptions – and no more.

If you aren't going to an exotic location, just send us \$30 for postage to an address inside Michigan or \$35 out of state, and we'll provide mail delivery of the *Independent* so you won't miss a single, exciting issue.
